JCC'S SMALL GROUP MINISTRY

November 9, 2009

Greetings JCC Family,

Our fall quarter of HeartBeats is well under way, and I'm so encouraged by the stories of people who are learning, growing, and connecting in their small groups. Planning has already begun for our winter quarter. Several of you have already contacted me and shared your plans for next quarter; I'm very excited about what I've heard so far.

If you have an interest of any kind or an awesome book you'd like to share and discuss with others, it could be a great idea for your small group. We have many resources for curriculum ideas and a large assortment of curriculum available for you to check out and preview. **Development plans for winter quarter groups are due on or before Sunday, November 22.**

Our groups are called Heart L.I.N.K.S. because they fall into five different categories: Life, Interest, Nurture, Knowledge, and Spiritual Development. Groups meet throughout the fall, winter, and spring. For more information about HeartBeats, visit us at [greatjoy.org](http://greatjoy.org) and click on HeartBeats. God has used this dynamic ministry to touch many lives and help people get connected and develop relationships with one another.

## IMPORTANT DATES ~ HEARTBEATS 2010 WINTER QUARTER

|                             |  |
